

Pre-Course Work

Instructions

Right Click to Download Documents

Adobe Acrobat Reader is required to view the .pdf files on the CD or this web site. If needed, you can obtain it at <http://adobe.com/products/acrobat/readstep2.html>, or click on this logo:

Please view the "[Letter to Nominee.pdf](#)" before beginning pre-course work.

The instructions for completing the pre-course work can be found in "[lessonplan_instructions.pdf](#)"

The "question and exercise set" are the questions referenced in the lesson plan instructions. The [question and exercise set.rtf](#) is the document you will need to return to NAFRI by **December 12, 2005**. You can e-mail it to the NAFRI inbox at wo_nafri_training@fs.fed.us or fax to 520-799-8785.

Publications

In "[Publications](#)", you will find various required and optional readings. Some are quite large and may result in a very long time to download, depending on your bandwidth. It is suggested you view the larger files on the Rx510 Pre-course Work CD that was mailed to you. Any software needed to complete the pre-course work is available at <http://www.fire.org>

[Fire Management Today](#), Volume 60, No. 3, Summer 2000, 809K

[Forest Landscape Analysis & Design](#), 4.1M

[Landscape Analysis & Design](#), 7.8M

[Process for Designing Fire Prescriptions](#), 1.4M

[Wildland Fire in Ecosystems Effects of Fire on Fauna](#), Volume 1, 1.4M

[Wildland Fire in Ecosystems Effects of Fire on Flora](#), Volume 2, 8.4M

[Wildland Fire in Ecosystems Effects of Fire on Air](#), Volume 5, 1.0M

[Development of Coarse-Scale Spatial Data for Wildland Fire and Fuel Management](#), 1.5M
